Reimbursement of Expenses

Reimbursed business expenditure is not returned on P11D forms but employers must ensure they have robust systems for recording expenses claims and a subsequent tax deduction is available for these expenses. If you require any advice in this regard, please let us know.

PAYE Settlement Agreement (PSA)

A PSA is an arrangement with HM Revenue & Customs whereby the employer agrees to bear the tax and National Insurance liability on certain benefits in kind on the employees' behalf. Examples of this are gift vouchers and staff entertainment. If you are considering using such an arrangement, please let us know.
